

Contact NOCASOBE

NOCASOBE is a volunteer effort to provide marketing support for the three communities that are **North of Camden** and **South of Belfast**. This website will provide information for residents, visitors, and travelers and thus create business to business support. It is not in any way a replacement for our regional and local chambers of commerce/business groups and community organizations. It is not a business, nor is it a club. **NOCASOBE is a lifestyle we all share** (especially our wonderful mid-coast communities). And, it is **a tool to help others “find” us**. Income gained from advertising is being used to pay for the annual costs of the website, email, website design/maintenance, marketing and promotional materials, and events in support of NOCASOBE. Any income that is not consumed through maintaining the website will be donated to The Northport Food Pantry which serves residents from all of our communities.

This website was developed as a marketing project with student interns from Illinois State University in conjunction with Dr. Jane Liedtke (jane@bayleafcottages.com). Without the hard work of these students, this website would not have been possible.
